

Metal Stamping Seminar

Res is planning its next Metal Stamping Seminar. The seminar is created to help improve design for manufacturability, functionality, and cost containment. Included in the seminar are sections on:

- Press Types
- Stamping Processes
- Production Tools
- Material Selection
- Pre-Design, Design, and Tolerancing Considerations
- Guidelines for Blanking, Piercing and Forming
- Finishing Operations
- Packaging
- Suggestions for Economizing the Production Process

The seminar will be held in Milwaukee and will include a tour of our facility. It has proven to be a valuable session for members of purchasing, engineering, manufacturing, and sales alike. The course materials and a Design Guide will be yours to keep and should prove valuable for future reference. The seminar includes continental breakfast, lunch, beverages, transportation to and from the airport, and transportation to and from Res Manufacturing Company for the tour.

A block of rooms will be set aside for Res Manufacturing at a rate of \$89.00/night.

Where: Salon 3, Four Points Sheraton, 8900 North Kildeer Court, Brown Deer, WI 53209.

When: Wednesday, June 16, 2004, 9:00 am to 3:00 pm

Price: \$85.00 includes seminar and related materials, continental breakfast, lunch, beverages and shuttle service

\$60.00 for each additional attendee from the same company.
